
ARYAMAN SARRAF

PROFILE

Planning to pursue a bachelor's degree in Business Management. Additionally, I have a profound interest in the field of Computer Science and currently gaining command in the same. I further intend to expand my breadth of knowledge of the business and computer fields by gaining more hands-on experience and use them cohesively in the future.

WORK EXPERIENCE

FRONT END WEB DEVELOPER, ZEUS VENTURES – MAY TO JULY 2021

- Developed a website dealing with luxury properties for sale and rental.
- Analysed requirements and pitched new ideas for better user experience.
- Regularly updated the list of properties of different types and locations.
